PEST MANAGEMENT SYSTEMS

- Spray on inside perimeter of house
- Kitchen cupboards to be gelled
- Any curtains near bed will need to be removed and washed in very hot water
- Dust behind refrigerator motors
- Mild odour lasting +/- 4 hours
- Open windows and doors for ventilation
- All open foodstuff to be closed and put away
- Allow service 7-10 days as chemical used contains a flushing agent •

Advisable for small children and pets to not be on the premises during treatment and 4-6 hours thereafter.

A large, faded version of the PESTBUSTERS logo, consisting of the word "PESTBUSTERS" in a red, sans-serif font inside a blue oval.
